Search Notes

Re: Beat Mats, Note Blocks

Attached are edited results from patent and nonpatent databases and the Internet.

This company's website, <u>www.notelogic.com</u>, says that applicant's company, Note Logic, was founded in March 2003 (see the blue-tagged page, attached).

Everything else I found, attached, has a date after the priority date.

If you have questions or comments, let me know.

Respectfully,

Jeff
